Courage

18th March 2020

Dear Parents and Carers

WHATSAPP

It has been brought to our attention that the Year 6 children have WhatsApp groups, which they are using to communicate with each other. Due to the nature of the messaging app, the content and messages being sent, are unmonitored.

We take the children's safety very seriously and would like to support you, as parents, with a Help Guide on using WhatsApp. If you would like any further support with e-safety matters or other applications, please contact me for additional resources.

Thank you for your continued support.

Yours sincerely

S Murrell (Mrs)
Deputy Headteacher

Enc

Interim Headteacher: Mrs. S. Martin
